Road bike hire Chambéry

Chambéry is the capital of the Savoie department and a perfect start for a sportive cycling holiday in the French Alps. The city has a historical background and there are many places to visit during your cycling holiday. Outside the city you will find many varied cycling routes for all kinds of cyclists. There are challenging climbs over the mountains for the sportive cyclist. Lovers of bigger challenges can cycle the Tour du Lac du Bourget, a route around the largest glacier lake in France. This route also offers beautiful views over the lake and the surrounding cities.

Chambéry is situated at the southern end of the Jura between two National parks Chartreuse and Bauges and right in between Lake D Aiguebelette and Lac du Bourget. Especially the loop ride around Lake a Borget is a nice ride with great views.
