### Road Bike hire Murcia

Murcia is a beautiful city and located nearby the less know Costa Calida. Discover the old town during your cycling holiday and enjoy a real Spanish coffee in one of the coffee bars. Don't miss the Murcia Wall: The Murcia wall was very important under the Arab rule, the remains of the Murcia wall are still visible in different places around the city;

The city has perfect cycling facilities and the climate throughout the year is one of the best in Spain ( not during simmer). The area around Murcia offers many great climbs with spectacular

descents. Around the city you will find rugged nature, charming villages and rolling hills. You can also cycle along the Costa Calida up to Cartagena.

You can also cycle along the Spanish coastline with the beautiful ocean view. The region has very good paved roads and inland it is almost traffic free. The region around Murcia is a true cycling paradise!
