Road bike rentals Playa Blanca

Playa Blanca is the most southern town of the Canary Island Lanzarote. The name of the town means “White Beach”. Cycle through the rugged nature and the rolling landscapes of Lanzarote. The island is a true cycling paradise. You will find many challenging climbs and the roads are almost traffic free. The island also offers many charming villages, spectacular views and a perfect cycling climate. Cycle along the coast line with its cosy towns and nice restaurants. The landscapes of Lanzarote are varied and perfect for all kinds of cyclists!

Unlike Tenerife and Gran Canaria, the mountains are not so steep and high. Not only the weather is a big advantage of Lanzarote, but also the beauty of the island. For example, cycle through the Timanfaya National Park and discover the unique volcanic lunar landscapes on the south-eastern side of Lanzarote.
