### Road Bike rentals Roses & experience the Costa Brava on an E Bike!

Rosas is located in the Costa brava near the border of France and is frequently visited by many tourists every year. Rosas offers much for example: the beautiful long beach with the deep blue water, the beautiful fishing harbor, the old town full of cosy terraces and of course the always sunny weather. The Costa Brava is one of the most visited coastal areas in Europe.

For cyclists it is also a true cycling paradise. Many cyclists come to the Costa Brava for cycling.

This is due to the beautiful area and great scenery, the mountains with challenging climbs, the very good routes along the beautiful beach and the Mediterranean Sea, easy to reach roads, the typical Catalan culture go so on. In Catalonia there is also a large network of routes and special mountain bike centers for the mountain bikers. For racing cyclists it is also coming home. It is great to cycle thanks to the beautiful routes through the mountains. It is very quiet with alternative little traffic and the routes along the rocky coasts with in between a few challenging climbs with a fantastic view of the azure blue mediterranean sea.
