### Bike rentals Blanes experience the Costa Brava

Charming Blanes is located between Lloret and Malgrat de Mar in the Costa Brava. Blanes consists of an old part and a new part. You can find the beautiful port in the old part where boats leave to Malgrat de Mar, Tossa de Mar and Calella. You can find there also lots of terraces, nice markets and fantastic restaurants. In the new part of Blanes (Los Pinos) you will find most entertainment venues and many nice beach bars.

Blanes in the Costa Brava is seen as a good base for every cyclist. Very spectacular is cycling along the coastline of the Costa Brava. The route goes from the south of Calella to the north in Blanes. Along the way you will find countless beautiful tourist towns with many restaurants ideal for a short stopover. Furthermore, Catalonia is mainly rural and green. Catalonia is one of the most beautiful destinations for cyclists.

If you go a bit more inland you quickly go up. For the mountain bikers there is a 6400 kilometres long signposted mountain bike network. Loved by the fanatical cyclists among us there with heavy climbs. For both the more amateur cyclists and the real professional cyclists this is the meeting place!
