## RIDES - ROUTES & TOURS

At the Bike Hotel Bagni Nuovi in Bormio you will find every day many different tours that respond to different levels of training. **Monday Stelvio Loop** Passo dello Stelvio Loop ride with van support. The epic Stelvio... This is one of the ultimate challenges for amateur and professional cyclists. The climb rises from 1225m to the 'Cima Coppi' at 2758m, the second highest paved road in Europe. Today you will face Passo dello Stelvio. You will climb the famous Stelvio, "attack this mountain with respect". The climb has 48 switchbacks to tackle. Relax on top before you descend all the way down to Bormio. **Tuesday Cancano Lake** Cancano Lake Loop ride. One of the most beautiful and underrated climbs in the area! The first 5 km are relatively flat before you will climb 8km up to the Torri di Friaie - . The views are spectacular with two old medieval lookout towers. The first 4km going up to through the valley before you reach a picnic area. The following 4kms to the top are climbing up with some switchbacks. From the top the views are stunning. Relax on top for the re-grouping before descending back to Bormio. You will overlook the beautiful Lago di Cancano. **Wednesday Mortirolo - Gavia** Bormio-Mortirolo-Gavia-Bormio. After the Passo dello Stelvio, you will face Passo Mortirolo and Passo di Gavia. Surprisingly. Passo Mortirolo is actually harder than the ones you have done the last two days. The Passo Mortirolo is considered as the hardest climb in Italy. You leave the hotel through the valley and the start of the climb is in Mazzo di Valtelina. After a break on top you go down. The next one is already waiting for you! The legendary Gavia pass belongs to one of the highest paved mountain passes in the Alps. The route is very steep and narrow and it takes a lot of effort to conquer the Gavia. **Thursday Mass Ride** Evening Ride up the Passo di Gavia or Cancanono (depending on the weather). Climbing a mountain pass under the stars is a truly unique cycling experience! The Evening Ride includes kit bag transport

to the top for your warm clothes, photographs of your achievement, lights for your bike, van support and of course guides to ride with you. During the day you will have a self-guided option. The maps for this ride you can ask at the reception of Bagni Nuovi. **Friday Teglio Loop** Today you can ride the Teglio Loop or a ride to the Bernina pass. **Saturday Gavia Day** Gavia day! The legendary Gavia pass belongs to one of the highest paved mountain passes in the Alps. The Gavia has a high summit of 2621 meters. The mountain became famous in 1988. On the fifth of June the Giro d'Italia passed the Gavia summit in a snowstorm. The stage was one of the most heroic stages ever in de Giro d'Italia and was won by the Dutchman Eric Breukink. The route is very steep and narrow and it takes a lot of effort to conquer the Gavia. The ascent of today's climb to Passo di Gavia is 17.3 kilometres long and an average percentage of 7.9% Good luck!
