

## Bike Hotel Oxygen Rimini

### Bike Hotel Oxygen Rimini

Bike Hotel Oxygen is located in Rimini on the Adriatic coast and belongs to the Emilia-Romagna region. Rimini borders the North with other places such as Cervia and Cesenatico and it's one of the most popular destinations on the Adriatic coastline. The seaside town is known for its vibrant nightlife, beaches and outdoor activities. However, in the interior you will find nice picturesque villages surrounded by beautiful fields full of olive trees.

Inland you can indulge with challenging climbs and enjoy the hills to the fullest! The region of Emilia Romagna is a superb road bike destination. Many professional cyclists have trained in the hills of Emilia Romagna. Also the iconic Italian hero Marco Pantani who was born in Cesenatico. Many road cyclists explore the same routes as Pantani used during his training stages for the Tour de France or Giro d'Italia.
