Triathlon Hotel Los Olivos

Triathlon Hotel Los Olivos is located in Alcalá la Real. It is a municipality in the Spanish province of Jaén in the beautiful region of Andalusia.

The idea of a place where cyclists, triathletes and runners could find great routes for training in any month of the year made us choose this part of Andalusia in Southern Spain.

With an endless network of roads and trails, Mediterranean weather, clean air and guaranteed sunshine, we believe it doesn't get any better than this. We converted an old farmhouse (cortijo) into a modern and sustainable home retaining the old cortijo charm. We are located just 6 km outside the town of Alcalá La Real in the Province of Jaen among olive and cherry farms.
